

Copernicus Capital

Who we are

Copernicus Capital is the investment arm of Copernicus Group an independent investment and asset management group specialising in Non-Performing Loans, Real Estate and Alternative Financing.

Copernicus Group is comprised of Copernicus Capital, Copernicus Servicing, Copernicus Advisors, Copernicus Real Estate, Copernicus Hospitality and Copernicus Credit.

Copernicus Capital focuses in NPL investments and was created to capitalize on all the know-how, track record, network and experience of the management and employees of the Copernicus Group.

What we do

Copernicus Capital specializes on real estate secured Corporate and SME NPLs in Southern Europe. It focuses in the acquisition of risk-adjusted opportunities in secured NPLs with attractive returns by leveraging the extensive experience of Copernicus Group companies for the analysis and management of investments in secured NPLs.
